No Same Day Deliveries to Residential Non-Business addresses

To ensure Sydney Metro businesses receive a reliable Same Day service, we are changing our service for deliveries to residential addresses.

If it is not a home business (someone there 9am-5pm) or does not have a business name, we will deliver next day.

Go Logistics is mostly a business to business courier and we feel with these changes everyone gets the best possible service.

Please note Go Logistics does not service Defence Bases, Auction Houses or National Park areas.

"IMPORTANT THINGS TO NOTE ABOUT OUR SAME DAY AND OVERNIGHT SERVICE"

Any freight picked up on our afternoon run must make it back to our depot that night to make next day delivery. Not all our drivers make it back to the depot each night. If you're not sure you can ask our office or your driver to confirm your goods will be delivered on time.

***If you are a client that uses coupons, freight sent within Sydney Metro, is charged "per consignment" meaning you can send 2 items weighing 10kg each to the same destination with 1 coupon.
(Bulk coupon rates may differ)***

If you are a client that uses coupons, freight sent out of Sydney Metro is charged "per parcel". This means that if you were to send the same 2 items weighing 10kg each out of Sydney, they will require a coupon each. BUT, we do not mind you consolidating those 2 x 10kg items to make 1 x 20kg item, and use 1 coupon to send it out.

***1 coupon/charge covers 25kg dead or actual weight or 25kg cubic weight (0.100m).
We base the charge on which ever weight is greater.***

If you do not use our coupon system your charge is worked out according to the zone for each area. It is still charged with the extra "Link" price, in addition with your metro rate (except NSW Country).

If you do not use coupons, all charges are "per parcel" for all areas.

Deliveries to stations, large properties or small townships may at time need to be collected from the nearest regional depot.

All deliveries within our network are covered by Our Guarantee. For more details regarding Our Guarantee, please go to our Services page of our website.

We live in a huge country, so not every suburb is listed. This does not necessarily mean we do not go there, so feel free to contact us if you do not find the suburb listed.

Any freight sent outside the Sydney Metro area requires "Link" coupons along with the green Metro coupon. For clients that rarely send to these areas, you may add additional Metro coupons. Please check with our customer service if this is required.
