----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------

Go Logistics trading terms are 7 days from invoice date.

We also have a "Our Guarantee" to protect your freight whilst in our hands; this is built into our pricing for all freight. You can view our terms and conditions on our website under Services.

By signing this form you agree to our fair and understandable conditions and have read our policy on Our Guarantee. You have probably also had enough of paying for bad service from courier companies, we can fix that for you.

Thank You.
